SHNEOR CHOURAQUI

SENIOR MOTION DESIGNER & 3D ARTIST

chsh16ou@gmail.com
two-light.com
Ramat Gan, Israel

Creative direction and hands-on execution across 2D and 3D animation, VFX compositing and color grading. My background is in advertising and post-production: shaping movement, timing and visual storytelling, and solving the creative and technical problems between a brief and a finished film.

EXPERIENCE

Sep 2022—Present

Senior Motion Designer & 3D Artist
Screen Post Productions

- Promoted to Senior, with responsibility for leading and mentoring junior designers, supporting collaboration and the quality of the team's work.
- Color grading for cinematic images and visual storytelling, using DaVinci Resolve.
- Integrated AI-assisted workflows into post-production.
- Explored techniques that combine AI tools with traditional 3D production.

Oct 2021—Aug 2022

Junior Motion Designer
Broadcast Media Production

- Motion design and VFX editing for more than 100 projects.
- Established and managed a 3D department.
- Collaborated with team members on projects of various scales.

May 2019—May 2021

Videographer
IDF

- Operated professional photography, sound, and lighting equipment.
- Worked on a wide variety of projects - shooting military ceremonies and exercises, editing clips and training videos.

Feb 2019—May 2019

Instructor
Online Photography School

- Guided and provided professional feedback to students in an online photography course.
